

**Complete desk
in a package!**

PRODUCT INFORMATION

SUN-FLEX® EASYDESK ELITE sets a new standard in height adjustable desks.

A compact desk delivered partially assembled in A SINGLE package in line with the ONE BOX SYSTEM created by SUN-FLEX® to eliminate the need for separate packages for the frame and desktop. Everything delivered in a single package!

Developed in Sweden, guaranteed top quality and designed to meet the stringent demands that apply.

SUN-FLEX® EASYDESK ELITE can easily be operated via Memory Control Panel, which has three individual memory settings and LCD display. Thanks to its compact format, SUN-FLEX® EASYDESK ELITE is the ideal choice for both conventional office layouts and home offices. The desk is available in two classic colors – white or black – to provide flexibility in furnishing design.

Working ergonomically should be easy: SUN-FLEX® EASYDESK ELITE!
