TERMS OF SALES AND DELIVERY

SUPPORT

Purchasing products manufactured by SUN-FLEX® is a long-term investment. We do not consider a delivery COMPLETE until we know that the customer is 100% satisfied. SUN-FLEX® is available for support Monday to Friday between 8:00 AM and 4:00 PM and can be reached via email at support@sun-flex.com or by phone at +46 (0)322-127 00. For more information about us and our products, please visit our website at www.sun-flex.com.

PRICES

For the current price list, please contact your local sales representative. SUN-FLEX® reserves the right to make changes to prices, design, and/or construction, as well as to modify payment terms at any time.

PAYMENT TERMS

As agreed upon. Interest on late payments will be charged after the due date at a rate of 18%. Sold goods remain the property of the seller until fully paid. We reserve the right to conduct a credit assessment. Any collection costs that may arise will be charged.

WARRANTY

The warranty for material and construction defects is 5 years from the delivery date for height-adjustable frames, electric desks and office seating, while other products have a 2-year warranty. Wear and damage are not covered by the warranty.

ORDER INFORMATION

Submitted orders must include complete information, including delivery method, delivery address, and contact details for delivery.

ORDER CONFIRMATION

An order confirmation will be sent to the specified email address. The order confirmation forms the basis of the order. We reserve the right to charge a fee if changes or cancellations are made after the approved order confirmation. Orders that are changed or canceled under these conditions may therefore be charged for specific costs.

DELIVERIES AND DELIVERY TIME

All delivery times are based on receiving a complete written order, and the goods can be shipped within 48 hours. For customized products or larger projects, the delivery time may be extended and/or agreed upon with the customer. Our order confirmation indicates the delivery date from us. For more information about the carrier, tracking number, etc., contact SUN-FLEX®'s delivery department at support@sun-flex.com.

DELIVERY TERMS

SUN-FLEX warehouse Ex works. Postage and courier costs will be charged, where applicable, for the production of certificates of origin and other export documentation needed. When ordering, shipping method must be clarified due to packaging details and delivery information to forwarder. Additional charges may apply.

TRANSPORT DAMAGE

Upon delivery, it is the recipient's responsibility to verify that the shipment is correct in terms of the number of packages and the condition of the products. For damaged packages or missing products, this must be noted on the waybill and documented, and a written notification must be sent to SUN-FLEX® within 5 days. If this information is not provided, SUN-FLEX® reserves the right to charge additional costs. Damaged goods must not be moved to another location.

COMPLAINTS

Any complaints must be submitted in writing to SUN-FLEX® within 7 days of receiving the product and must be well documented. Delivered goods must not be returned to SUN-FLEX® without approval. Please note that the attached installation instructions must be followed. Complaints should be sent via email to support@sun-flex.com.

ENVIRONMENT AND QUALITY

Environmental considerations for our products and their manufacturing are at the core of our business.

We reserve the right to change the product range and specifications at any time without notice. We also reserve the right for any printing errors that may have occurred in the catalog.

CERTIFICATIONS

EL-KRETSEN

SUN-FLEX® is affiliated with El-Kretsen i Sverige AB and complies with the regulation on producer responsibility for electrical equipment according to SFS 2014:1075, 2014:1078.

NPA (NÄRINGSLIVETS PRODUCENTANSVAR)

To promote a sustainable future, SUN-FLEX® is also affiliated with NPA. Through this collaboration, we actively work to reduce our environmental impact through responsible packaging management and recycling.

THE GREEN DOT

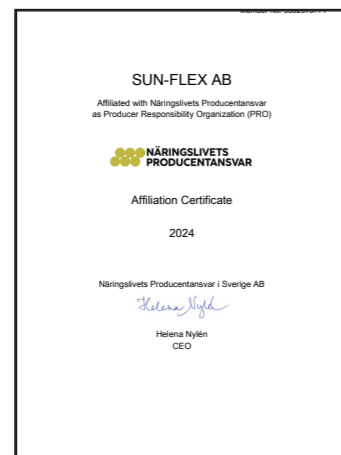

The Green Dot is a symbol indicating that the packaging fee has been paid in the country where the packaging or the packaged product is sold. In Sweden, FTI is the licensor and holds the trademark rights for the Green Dot.

REACH

All our products that we market and sell comply with the provisions of REACH Regulation (EG) No 1907/2006. By adhering to this regulation, we ensure that our products do not contain any chemicals listed on the European Chemicals Agency's (ECHA) candidate list of substances of very high concern.

ROHS

Our products comply with the RoHS directive, ensuring that they do not contain harmful substances above permitted threshold levels, such as lead, mercury, cadmium, and other hazardous materials. This means our products are safe for both users and the environment. We take pride in offering products that adhere to high environmental and safety standards.

CE MARKING

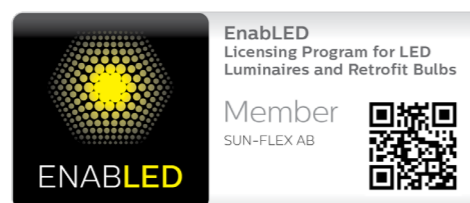

We offer CE-marked products. The CE marking indicates that our products comply with European safety standards and are legally allowed to be sold within the EU and EEA market. It demonstrates our commitment to safety, quality, and compliance with applicable regulations.

EN STANDARDS

Our products comply with EN standards and undergo rigorous testing and approval processes, ensuring they meet relevant safety and quality requirements.

SIGNIFY AND ENABLED

Our lighting fixtures are licensed under the EnabLED system by Signify. Signify is a prominent global company in lighting technology and smart lighting solutions. This licensing allows us to continue our unwavering commitment to continuously improving the design, quality, and functionality of our lighting products.

LIGHTING

Optimal workplace lighting is crucial for productivity and well-being. With our LED-based lighting solutions, you benefit from high performance, low energy consumption, and stylish design. Experience a sharp and clear working environment that enhances concentration and reduces eye strain, all while enjoying modern and sleek fixtures that complement your interior.

SUN-FLEX® DESKLITE™

Art.no. white: 102000
Art.no. black: 102005

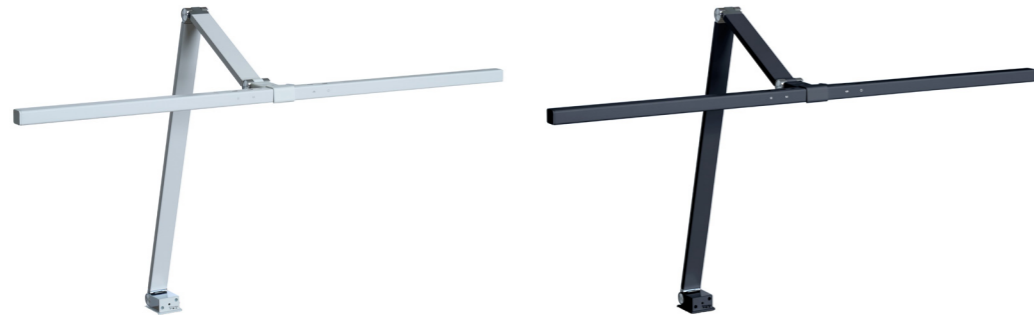

Includes table mount, touch controls and remote control. Timer 60 minutes or 10 minutes. Dimmable and color-adjustable. Individually adjustable flexible arm. Long range up to 1000 mm.

SUN-FLEX® QLITE™

Art.no. white: 103100
Art.no. black: 103105

Smart fixture with Qi charger. Dimmable and color adjustable. Sized for home offices and smaller workplaces. Timer 60 min alt. 120 minutes.

SUN-FLEX® SCREENLITE™

Art.no. white: 104100
Art.no. black: 104105

Optimal lighting for digital meetings. Plenty of light over a large area. Long arm, extended reach, and space-saving. Matte black or matte white with silver-colored details.

SUN-FLEX® INLITE™

Art.no. white: 105100
Art.no. black: 105105

Display with touch controls, dimming and color temperature adjustment. Extra USB port can be used as a power source. Light source: LED. Energy consumption: 9 watts. Timer 60 min.

FUNCTION MATS

Functional mats provide comfortable support and improve workplace ergonomics. Our 100% PVC-free floor mats combine high comfort and environmental awareness to promote health and well-being.

SUN-FLEX®StandMat™

Art.no: 455500

100% phthalate and PVC free
Made of Polyurethane
Stain resistant
24 mm comfort
Intended for dry areas

SUN-FLEX®StandMat™Boost

Art.no: 455400

100% phthalate and PVC free
Boosts energy
254 activation points
24 mm comfort
With or without shoes

StandMat™

Art.no: 455501

100% phthalate and PVC free
Made of Polyurethane
Stain resistant
21 mm comfort
Intended for dry areas

SUN-FLEX®Hook

Art.no: 455110

Hook for hanging a standing mat, item no. 455500 and 455400.

OFFICE SEATING

An ergonomic office chair promotes good posture and provides increased comfort throughout the workday. The right chair offers better support for the back and posture.

SUN-FLEX®OFFICECHAIR HB

Art.no: 250505

An office chair that combines ergonomics with intuitive design to provide optimal support, ensuring a correct sitting position throughout the working day.

SUN-FLEX®OFFICECHAIR MB

Art.no: 250405

An office chair equipped with several adjustable functions to ensure maximum comfort and optimal ergonomics.

SUN-FLEX®OFFICECHAIR MESH

Art.no: 250305

The office chair combines adjustability and comfort for a customizable and modern seating experience.

SUN-FLEX

CONFERENCE SEATING DROP DOWN

Conference chairs designed to provide optimal comfort and support during long meetings, helping to improve concentration and productivity.

SUN-FLEX® HIDEAWAY CHAIR

Art.no. white: 250700

Art.no. black: 250800

A perfect chair for the conference room, with lower back support and synchro mechanism. Adjust for optimal individual comfort. The chair also has a unique folding solution for the back and armrests, suitable for conference environments.

Visit our website to read more about
our products and let yourself be inspired!

SUN-FLEX

BALANCE CHAIRS

Balance chairs help improve posture and activate core muscles while seated. The balance chair provides a dynamic and ergonomic seating experience.

SUN-FLEX® Active

Art.no white: 250200

Art.no black: 250205

Keeps you naturally active. Strengthens back and stomach. Increases blood circulation. Adjustable height.

SUN-FLEX

SUPPORT

Ergonomic tools in the workplace increase productivity, creativity and efficiency. Invest in ergonomic tools to create a comfortable and healthy work environment.

SUN-FLEX®GRAVITYSTAND

Art.no: 100122

Compact design, easy to carry. Suitable for both laptops and tablets. Creates good ergonomics. Perfect for the small home office.

SUN-FLEX®Footrest

Art.no: 455001

Adjustable in height and angle. Intuitive tilting of the footplate to activate the lower leg muscles. Curved in angle to accommodate the office chair and still sit close to the desk. Softly padded support cushion.

SUN-FLEX®Relax

Art.no: 455004

Adjustable in height and angle. Support cushion for relief. Movable foot plate for increased muscle activity. Perfectly suited for both sitting and standing work.

SUN-FLEX®Footsupport

Art.no: 455006

Adjustable angle. Movable foot plate that contributes to increased muscle activity. Relieves tired legs. Excellent for both sitting and standing work.

SUN-FLEX® Forearmsupport PRO

Art.no: 410395

A relieving forearm support with flexible attachments. Ultra thin. Maximum comfort.

SUN-FLEX® Forearmsupport PLUS

Art.no: 410396

A relieving forearm support with flexible attachments in depth and laterally. Soft support with modern profile.

INPUT DEVICES

Pointing devices facilitate precise and fast navigation on the computer, improving the user experience and efficiency.

OFFICE DESKS & HYBRID OFFICE DESKS

Discover the possibilities and create the workplace of the future.

PROTOUCH™

Art.no: 400305

Modern, load-reducing multi-touch technology. Centrally positioned multi-touch unit and tactile keys. Sleek modern design for optimal relief. Absence of mechanical and moving parts.

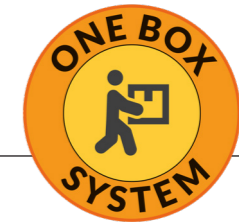

SUN-FLEX® EASYDESK PRO

Art.no. white: 600708
Art.no. black: 600808

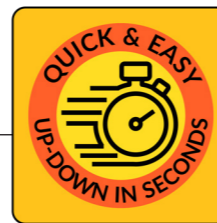

Small, mobile desk that can be raised and lowered. Adjust easily with foot pedal. Tilttable desktop for individual adjustment and easy storage. Can be angled to 90 degrees. Suitable for school, office, home office, etc.

SUN-FLEX® EASYDESK ELITE

Art.no. white: 610703
Art.no. black: 610803

Complete electric table with smart desk features. Easy and quick assembly with partially pre-assembled parts, all delivered in a single package!

SUN-FLEX® EASYDESK RISE

Art.no. white: 620703
Art.no. black: 620803

Complete solution for your standing workstation. Locking mechanism for increased safety and stability. Up and down in seconds. Use it anywhere, at home or in the office.

ELECTRIC HEIGHT-ADJUSTABLE DESK FRAME

Our height-adjustable desk frames improve ergonomics, promote activity, and reduce sedentary behavior in the workplace by allowing easy adjustment of working positions as needed.

Scan the QR code for more information about the desk frames and their specifications!

SUN-FLEX®DESKFRAME I

Art.no. grey: 600601
Art.no. white: 600701
Art.no. black: 600801

Function and simplicity. The hand control provides easily adjustable height for optimal productivity. With power-saving functions, the desk creates an energy-efficient workplace.

SUN-FLEX®DESKFRAME III

Art.no. grey: 600603
Art.no. white: 600703
Art.no. black: 600803

Vary the working day between sitting and standing. The two motors are enclosed and quiet, which contributes to a pleasant working environment. Operated via control panel with LCD display and memory functions.

SUN-FLEX®DESKFRAME VI

Art.no. grey: 600606
Art.no. white: 600706
Art.no. black: 600806

Dual motors and three-part legs provide strength, height variation and performance beyond the ordinary. Via the control panel with LCD display, you control all functions and can easily set your favorite height through the memory functions.

SUN-FLEX

DESK TOPS

Our desk tops are made of high-pressure laminate. They have a special surface treatment called "smoothtouch matt" which minimizes glare from ambient lighting. The desk tops are tested and approved according to EN438-2 and meet high quality requirements.

The desk tops are available in four colours: grey, white, black and birch. They are stocked in the sizes: 120x80, 140x80 and 160x80 cm. We are happy to manufacture other dimensions upon request.
